

The 6th International Climate Change Conference (CI2C) 2025

Essaouira, Morocco

Friday, October 17, 2025

Session 13 : Online oral presentations (2:30 PM - 5:30 PM)

-Conveners: Ulrich Hellriegel

time	[id] title	presenter
2:30 PM	[225] Lungs And Nodules Segmentation From CT-scans Using Auxiliary U-Net	Mr EL YAHYAOUY, Abderrahim
2:40 PM	[119] Phosphorylated Starch-Enhanced Controlled-Release Formulations for Agricultural Applications	Mrs WATTATI, Hind
2:50 PM	[159] Assessment of the relative impact of climate forcings and station biophysical parameters on plant dynamics in the Akka Wabzaza SIBE (Central High Atlas, Morocco)	Ms EL KHIARI, Sabah
3:00 PM	[179] Land Use Land Cover Classification Using Advanced Machine Learning	Mrs BENAZUN, Hoda
3:10 PM	[56] Regenerative Agriculture in Morocco: Advancing Climate Resilience, Food Security, and Sustainable Development	Prof. EL HAJI, Sana
3:20 PM	[60] Numerical Study of Energy Performance and Heat Transfer Enhancement in Mixed Convection Under Varying Partial Heating, Nanofluid volume Fraction, and Inclination Angle Conditions	Ms ABOU-ELFATH, Zaina
3:30 PM	[58] Cortical and hippocampal microglial activation contributes to cognitive impairment in chronic hepatic encephalopathy	EL-MMANSOURY, Bilal
3:40 PM	Break	
3:50 PM	[170] Solar Drying Kinetics and Physicochemical Study of Snail Meat	LAHRACH, Abdessamad
4:00 PM	[148] Impact of physico-chemical parameters on seasonal fluctuation of phytoplankton diversity, community structure, and abundance in coastal waters of Imessouane, Atlantic Coast of Southern Morocco	AMAZZAL, Afaf
4:10 PM	[110] Climate Risk and Investment Behaviour of Companies Listed on the Casablanca Stock Exchange	Mr OUHINOUE, Mohamed Amine
4:20 PM	[134] Influence of Warming and Soil Drying on the Dynamics of Oasis Desertification: The Case of the Skoura Oasis (Morocco)	Ms BENAZUN, Hoda
4:30 PM	[42] Qualitative study of zooplankton diversity in Merja Zerga lagoon (Morocco)	MOUTIK, Maha
4:40 PM	[185] Resilience at the Intersection of Interfirm Networks and Entrepreneurial Ecosystems: A Systematic Literature Review	GAOUGAOU, Ichrak
4:50 PM	[128] Agroclimatic Modelling of Olive Tree Cultivation under Climate Change in the Marrakesh Region: Advancing Sustainable Optimization in a Semi-Arid Environment	Mr BRITEL, Ilyass
